In lieu of meeting the requirements of the inland rules, a boat may meet the requirements of International Rules 20 to 30, inclusive, and Annex I and Annex II as published in the same document. However, the requirements of this section do not apply to a law enforcement officer, as defined in § 23-3-27, while operating a boat owned, leased, or otherwise the property of the state or a political subdivision, in the performance of the officer's law enforcement duties if the officer's conduct is reasonable and if the officer reasonably believes that operating the boat without lights is necessary under the circumstances to investigate a criminal violation or suspected criminal violation of state laws or rules, court orders, or municipal or county ordinances. A law enforcement officer may not operate a boat without lights under this section:

(1) At speeds greater than what is reasonable and prudent under existing weather and traffic conditions;

(2) In situations in which the officer is an active participant in pursuing a boat; or

(3) Contrary to written policies or procedures established by the law enforcement officer's employer.
