41:06:16:07. Goose hunting season, Conservation Order, and August Management Take established -- Shooting hours -- Exceptions -- Open units -- Closed areas. The light goose hunting season is open statewide for 86 consecutive days beginning on the last Saturday of September. A Conservation Order is open statewide for 79 consecutive days beginning on the 106th day from the Saturday closest to November 1. Only light geese, as defined in § 41:06:16:06.01, may be taken during a Conservation Order. As used in this article, a Conservation Order is a Congressional Order which amends the Fish and Wildlife Service regulations based on a 1999 Congressional action (Pub. L. No. 106-108,) effectively reinstating regulations intended to reduce the population of mid-continent light geese (MCLG). The law authorizes the use of additional hunting methods (electronic calls and unplugged guns) to increase the take of MCLG. As a result, a Conservation Order for the reduction of the MCLG population was authorized.

Additionally, an August Management Take for the taking of Canada geese is open to South Dakota residents beginning on the third Saturday of August to August 31, inclusive, in the counties of Brookings, Brown, Clark, Codington, Day, Deuel, Hamlin, Hanson, Hutchinson, Grant, Kingsbury, Lake, Lincoln, McCook, Marshall, Minnehaha, Miner, Moody, Pennington west of the Cheyenne River, Roberts, Spink, Turner, and Union.

The white-fronted goose season is open statewide for 72 consecutive days beginning on the last Saturday of September.

The dark goose season is open statewide as specifically provided for in this section and the special Canada goose hunting units in § 41:06:16:08:
