41:06:01:17 Access permits required for specific deer hunting units and public lands.

41:06:01:18 Authorization for terminally ill residents to hunt deer, antelope and turkeys.

41:06:01:18. Authorization for terminally ill residents to hunt deer, antelope and turkeys. The secretary may authorize a resident who has been diagnosed by a licensed doctor of medicine to have a terminal illness that to a reasonable medical certainty is expected to substantially shorten the resident's life expectancy to hunt deer, antelope, or turkey during established hunting seasons. A resident under the age of twenty-six who has been diagnosed by a licensed doctor of medicine to have cancer or other life-threatening illness is eligible to receive such authorization. Authorization to hunt issued pursuant to this section shall allow the resident to take no more than one deer, one antelope, and one turkey and shall be issued on a once-in-a-lifetime basis for each species for which authorization is requested. The secretary may waive certain restrictions related to the hunting season or impose additional terms and conditions as necessary to facilitate participation by the resident.
