This hearing is being rescheduled from the previously published date of June 20, 2017.

The effect of the rules will be to adopt the 2015 edition of the National School Transportation Specifications and Procedures, to adopt the 2017 Commercial Vehicle Safety Alliance's "North American Standard Out-of-Service Criteria", to revise the requirements for motorcycle safety education courses, and to remove the requirement of providing a social security number when transferring a compliant out of state driver's license to South Dakota, and updating the federal adoption to match statute.

The reason for adopting the proposed rules is to utilize the most current versions of the National School Transportation Specification and Procedures manual and the North American Standard Out-of-Service Criteria, to reflect changes in motorcycle safety curriculum, and align State driver licensing requirements with federal rule.

Material sent by mail must reach the Department of Public Safety by August 1, 2017, to be considered.

After the hearing, the Department will consider all written and oral comments it receives on the proposed rules. The Department may modify or amend a proposed rule at that time to include or exclude matters that are described in this notice.
