State of South Dakota
Department of Labor and Regulation
Division of Labor and Management
Notice of Public Hearing to Adopt Rules

A public hearing will be held via Microsoft Teams on October 1, 2024, at 3:00 p.m. Central Time, to consider the amendment of proposed Administrative Rules of South Dakota numbered:

§§ 47:03:05:02.01 and 47:03:05:13.

The effect of the rules will be to update the source of the reference used to calculate reimbursement rates for providers of workers' compensation dental procedures to the 2024 edition. The rules change will also increase the conversion factor for dental fees.

The reason for adopting the proposed rules is to update the date of the resource and the amounts of the reimbursement to providers of workers' compensation related dental procedures and to compensate for economic inflation. The rules change is an update reflecting the more current values of these procedures.

Persons interested in presenting amendments, data, opinions, and arguments for or against the proposed rules may appear at the hearing, or mail or e-mail them to South Dakota Department of Labor and Regulation, Division of Labor and Management, 123 W. Missouri Ave., Pierre, SD 57501. The deadline to submit any such written comments for consideration by this agency is ten days after the date of the public hearing.

After the written comment period, the South Dakota Department of Labor and Regulation, Division of Labor and Management will consider all written and oral comments it receives on the proposed rules. The South Dakota Division of Labor and Management may modify or amend a proposed rule at that time to include or exclude matters that are described in this notice.
