

SOUTH DAKOTA DEPARTMENT OF TRANSPORTATION  
SOUTH DAKOTA TRANSPORTATION COMMISSION  
Notice of Public Hearing to Adopt Rules

A public hearing will be held in the Commission room of the Becker-Hansen Building at 700 East Broadway Avenue in Pierre, South Dakota, on Thursday, October 29, 2026, at 9:00 a.m. (Central Time) to consider amendments to Administrative Rule of South Dakota numbered:

70:01:02:01– Minnehaha County speed zone rule.

The proposed rule amendments will change speed limits on State Trunk Highway 115 north of Sioux Falls and on Highway 38 in and around Hartford in Minnehaha County. The proposed speed zone rule changes will also update highway references and eliminate speed limit provisions that are no longer needed because of highway jurisdictional transfers. The reasons for amending the speed zone rules are to enhance safety, add clarity, and repeal speed limits for highways that are not under the jurisdiction of the South Dakota Department of Transportation.

Persons interested in presenting amendments, data, opinions, and arguments for or against the proposed rules may appear in-person at the hearing, or mail or e-mail them to the South Dakota Department of Transportation, 700 East Broadway Avenue, Pierre, South Dakota 57501-2586, Joel.Jundt@state.sd.us. The deadline to submit any such written comments for consideration by the South Dakota Transportation Commission is October 25, 2026. Interested persons who cannot attend the hearing in-person may listen to the hearing and offer amendments, data, opinions, and arguments by calling the conference number (866)705-2554 and entering the conference code 153277.

After the written comment period, the South Dakota Transportation Commission will consider all written and oral comments that are timely received on the proposed rules. The South Dakota Transportation Commission may modify or amend a proposed rule at that time to include or exclude matters that are described in this notice.

Individuals needing assistance, pursuant to the Americans with Disabilities Act (ADA), should contact the department's ADA Coordinator by calling (605)773-3540 two business days prior to the meeting to ensure accommodations are available. For any in-person meeting, notice is further given to individuals with disabilities that the meeting is being held in a physically accessible location.
